

Sale 2023

General Info:

PLEASE READ CAREFULLY !!!

All the products on offer here were only used for a YouTube Review and have never been gigged or used outside of my studio. You can get them therefore in excellent condition for a good price.

Obviously, if you want more than one, we will combine shipping.

Transactions go through Paypal with Friends and Family, so there should be no fees. If you don't think you can trust me, please don't buy from me. I am not some stranger, you know how to find me!

Pedals shipping to the US, Canada, Mexico etc. ship without tracking and can take up to 6 weeks to arrive. So far every single pedal I shipped has arrived and there were many, but a trackable package is just too expensive.

IF A PRODUCT ISN'T LISTED HERE ANYMORE IT HAS ALREADY SOLD!
DON'T ASK ABOUT IT!
