

USER MANUAL

Emmie

— DELAY | BOOST

CONGRATULATIONS

on your purchase of EMMIE, the perfect combination of big sound and small package. This brilliant delay with built-in boost is ideal for anyone wanting to maximize sonic performance while keeping their effects board light and agile.

EMMIE gives you all the functionality you expect from a premium delay pedal, plus a beautiful-sounding boost option for your delayed sound.

The following pages explain EMMIE'S capabilities and controls.

FROM HERE TO ETERNITY ...

Think of EMMIE as 2 pedals in 1 – a beautiful delay, and a sweet-sounding boost.

The delay function is controlled via the ON/OFF foot-switch and the 3 knobs on top of the unit.

The REPEAT knob lets you control how many delay repetitions you get, while the TIME knob controls how close together or far apart your repetitions are. For example, a low REPEAT and TIME setting gives you a quick slap-back effect, while high REPEAT and TIME settings give you that broad infinite echo sound.

Traditional delays absorb and diminish signal strength, resulting in a loss of volume. EMMIE comes with a built-in BOOST function that allows your leads to cut above the mix.

To use the BOOST function, the toggle switch on the side of your EMMIE should be set to “BOOST”.

When switched on, you can adjust the boost level of your EMMIE using the LEVEL knob on the side of the unit.

TECHNICAL SPECIFICATIONS

Input Impedance@1KHz	Higher than 1M Ohm
Output Impedance@1KHZ	Lower than 1K Ohm
Power supply Voltage	Minimum 8,5V DC / Maximum 12,5V DC
Current Draw @ 9V DC	82 mA
Maximum Input signal Vp/p	3Vp/p
Battery Type / Battery Life	9V battery 6F22 / 30 - 120 min.
External connectors	Input Jack, Output Jack, 9V DC jack
Controls	ON/OFF footswitch, REPEAT, MIX, TIME, NORMAL/BOOST switch and BOOST level
Pedal size incl. knobs (W x H x D)	70 x 50 x 115 mm / 2,8 x 2 x 4,5 inch
Weight excl. packaging	0,230 kg / 8,11 oz

T-REX WARRANTY CONDITIONS

T-Rex Effects offers a two-year guarantee on all our products. In the unlikely event of a malfunction, please go to <http://www.musiquip.com/warranty.html> for warranty and service information.

ABOUT T-REX

Based in Vejle, Denmark, T-Rex Engineering makes classic and signature effects pedals for the world's best musicians. Our approach blends hi-tech innovation with old-world craftsmanship – always in the service of killer tone.

EU REGULATIONS • ENVIRONMENT PROTECTION

T-Rex accepts and follows the regulations and directives issued by the EU. We find these environment protecting regulations very good, and we are happy to follow them.
